**Almost every week you will hike a new trail, doing as little backtracking as possible, until you have hiked every single trail in the area.**

A list will be kept of all participants with sections they have completed. Once all sections have been completed, a limited edition (not for purchase) Mohican Experts patch and walking stick medallion will be awarded!

**If you can not make it to a hike that is OK! If you miss a hike, contact the naturalist to discuss options. (419) 265-5848**
